Luminis orae

FRASCATI – 5–7 JUNE 2026

Programme of Activities

We are delighted to welcome you to the fourth edition of this event, which aims to be a celebration of art and beauty. In the light of colours, in the notes of instruments and voices, and in all the other art forms represented here, we hope that the Harmony evoked by Plato — which guides us toward the idea of the Good and the Just — may find its echo, and that these days may draw the hearts of all participants toward the universal and the eternal.
